401SH

Aircraft Highlights

This beautiful Guimbal Cabri G2 is only 3 years old with 706 hours flown since new! All maintenance, AD's and SB's have been performed. With a full composite structure, a reliable powerplant, shrouded fenestron tail rotor, and crash resistant fuel tank and seats, as well as a Garmin 650 paired glass panel, this helicopter is ideal for private use, helicopter sight-seeing operations, or flight instruction. This helicopter won't last long on the market.
