- Bose and Lightspeed headsets

---

- Custom leather seats

---

- Padded blade and cowling covers

---

- Reflective interior window covers

---

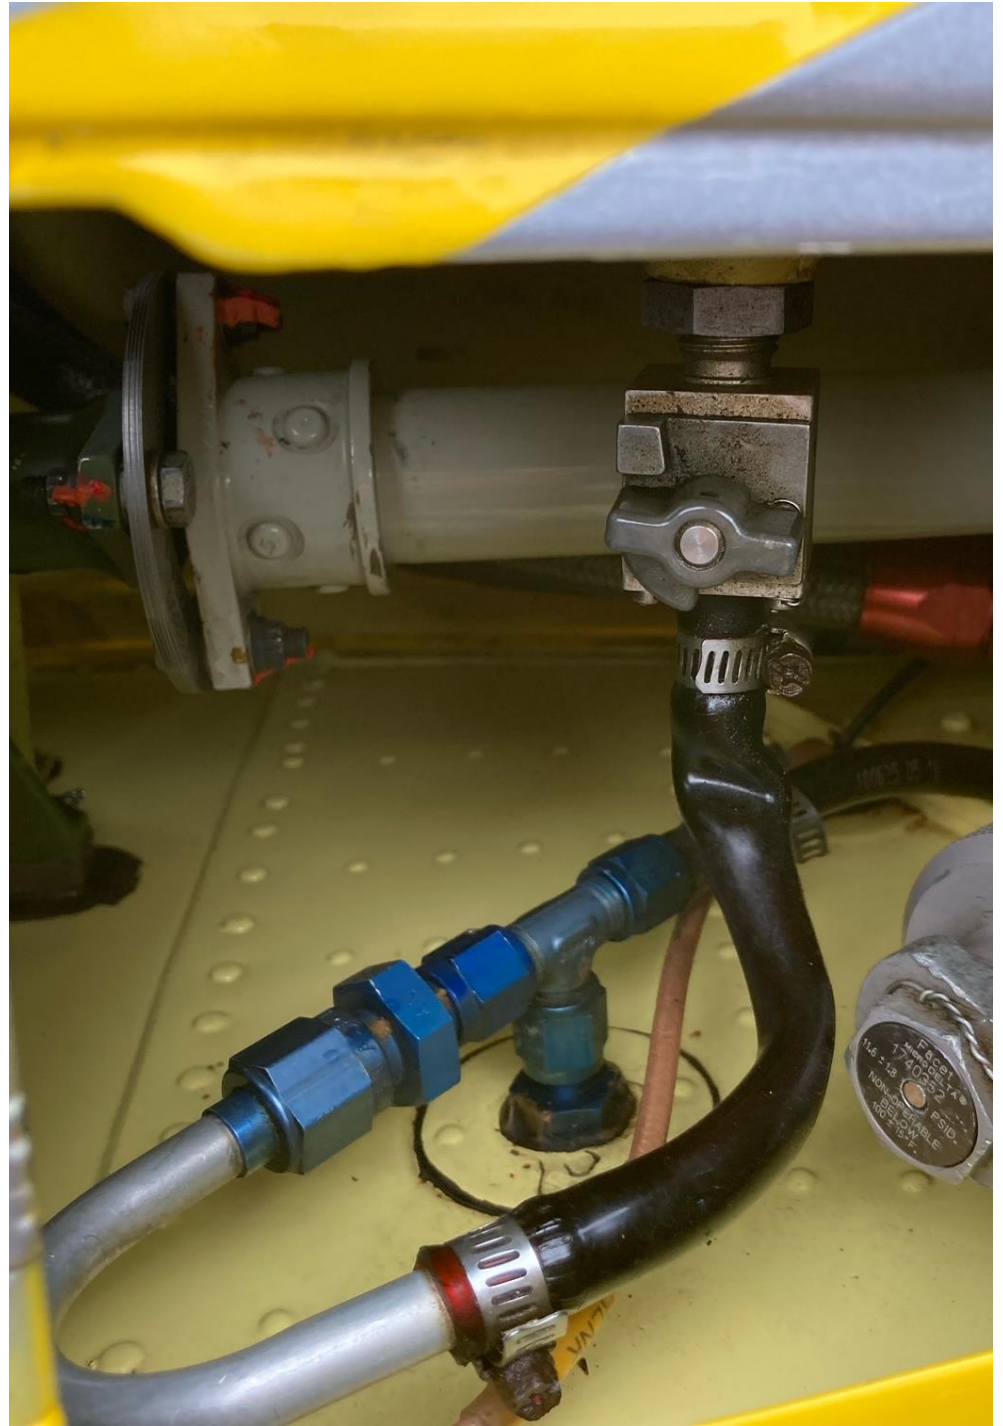

- ELT 406MZ emergency locator

---

- Switlik Aviator life vests

---

- Inspection Ladder (fits in aft baggage compartment)

For sale is a meticulously maintained 1992 Bell 206L3 helicopter serviced to the highest standards. This aircraft has been operated under Part 135, and a Bell-authorized service center has done all service with no expense spared to always keep the helicopter in perfect flying condition.

The aircraft has recently undergone significant component swaps, including replacing key airframe components such as the **Transmission, TT straps, and Freewheeling unit.** Additionally, routine maintenance has been performed up to the **1200-hour inspection** as of June 2022, giving the new owner added confidence in the aircraft's longevity and reliability.

The aircraft has been hangared year-round at Boeing Field, King County International Airport, and has no accident history.

In addition to the helicopter, the seller also has the following available for purchase:

- A Dart ski basket with replacement step and bear paws.
- A chopper spotter transporter with extra ground handling wheels.
- A float kit with the separate landing gear.
- Business with Single Pilot 135 Certificate

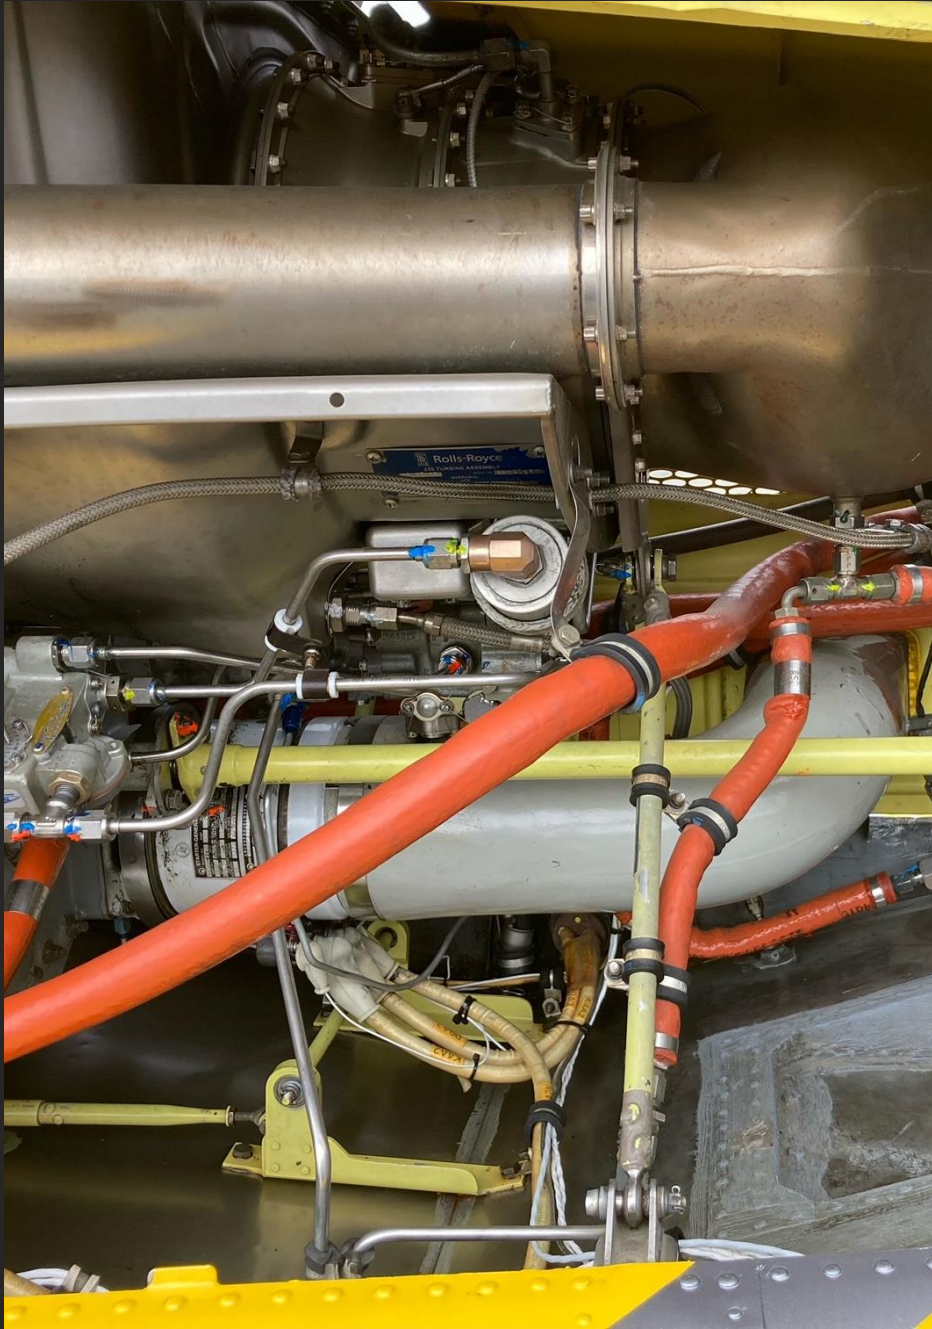

Aircraft Only: **\$788,000**

Aircraft with additional equipment: **\$870,000**

Business with Single Pilot 135 Certificate: **\$80,000**
